

12th International Conference on
ADVANCED NETWORKS AND TELECOMMUNICATION SYSTEMS
(IEEE ANTS 2018)

INDORE INDIA

December 16 - 19, 2018

CALL FOR TUTORIAL PROPOSALS

Important Dates:

Proposal Submission: **July 15, 2018**

Notification: **September 15, 2018**

ANTS is the premier IEEE forum on networking and telecommunications topics in India and the only conference in India financially sponsored by IEEE Communications Society. IEEE ANTS 2018 will be hosting a series of tutorials for participants. Proposals are invited for half day tutorials of duration three hours in the areas of Wireline networks, Wireless networks, and Network Applications and related topics. Proposals should have clear and focused teaching material covering new and emerging topics within the scope of the conference.

TUTORIAL PROPOSAL FORMAT :

The tutorial proposal (maximum 5 pages) should describe concisely the content, importance and timeliness of the tutorial. It should contain the following sections:

1. Title of tutorial
2. An outline of the tutorial content, including its tentative schedule.
3. Names, addresses, and a short biography (up to 200 words) of the instructors.
4. A description of the technical issues that the tutorial will address, emphasizing its importance and timeliness.
5. If appropriate, a description of past versions of the tutorial, including number of attendees should be provided.

TUTORIAL PROPOSAL SUBMISSION :

Submitted tutorial proposal should exceed FIVE pages and it should be submitted in one all-in-one PDF file. The proposal document should be submitted electronically by email to the tutorial chairs (e-mail given).
